

Wanted: Agricultural worker New Zealand

○○○
BAKKER BULBS LTD

Location Rakaia, New Zealand
Hours per week 40 hours
Education level MBO (vocational qualification)
in Agriculture/Bulb cultivation

Are you proactive and flexible and do you enjoy large-scale bulb cultivation/farming? Are you enthusiastic, ambitious and motivated to build your future in one of the most beautiful places in the world? Then this is your chance.

Our company

At Bakker Bulbs Ltd we cultivate lily bulbs and various other agricultural crops every day. Our company strives to achieve top-quality products with the utmost passion and expertise while having the lowest possible impact on the environment. We achieve this by using the latest technology to manage the entire chain in the best possible way. These features make us stand out on the market.

We deliver optimum customer satisfaction by striving towards absolute reliability and ensuring that our products are tailored to the market. We also encourage our employees to take part in further professional development within our organisation where possible. Our innovative and progressive outlook pushes us to continually improve our international plant nursery. This ensures constant growth for both us and our employees.
